- 1) This is a two-person job!
- 2) If the overnight temperature is below 60 degrees F, the pool needs to be covered.
- 3) If the daytime high is forecasted to be below 60 degrees, leave the pool covered.
- 4) If high winds or rain are forecasted, leave the pool covered.
- 5) The pool should be uncovered by 10:00 a.m. and covered before dark.
- 6) The spa is always left covered.
- 7) If you need instruction on pool covering call Bruce Ostern at 520-625-5699 or David Wahlberg, 218 443-5720.
